

THE Penmar

VENICE

LA City Golf is thrilled to announce The Penmar restaurant has opened at our 55 acre golf course "by the sea" in Venice Beach. The Penmar is the latest offering from Oscar Hermosillo, creative (and delicious) Venice-local force behind Cerveteca, Clutch and Venice Beach Wines. Local design group LANDLOCD thoughtfully planned and meticulously executed a design that pays homage to the 1962 vintage of the Penmar Golf Course and electric Venice neighborhood with an open, air filled floor plan and a nod towards beach casual in a colorful, clean mid century modern structure. Ample fresh patio seating, heaters, music and outdoor TVs make this a COVID friendly place for golfers and neighbors alike to share, eat and drink in the largest public green space park on the Westside. The Penmar offers a truly unique patio experience that is perhaps the best thing to happen in 2020!

"You can dine in a parking lot, or you can dine in a beautiful park."
"You can have a drink under street lights, or you can imbibe under the stars"

"You can breathe car/bus fumes, or you can enjoy fresh ocean breezes as they blow across the course"

Oscar's local flavors drive a 100% house made menu complemented by a curated beer and wine list available breakfast, lunch and dinner.

Address: 1233 Rose Avenue, Venice Beach, CA 90066
(100's of free parking spots)
